

A Legacy of Hope

Rev. Jake Manley Sr., the late Pastor of Bethany Baptist Church, founded Showers of Blessings in 1988. His belief was a program focused on rebuilding lives would strengthen families and in turn empower them to build strong communities.

The program has continued to thrive, incorporating a wholistic approach to identifying the needs aimed towards mental health, spiritual growth & physical well-being.

Growth with Support

Showers is made up of a team of trained/licensed Mental Health Professionals, members of clergy & local Substance Recovery Providers. Showers is supported by local courts and state agencies including local Probation & Parole as well as VASAP.

Purpose

Showers Community Outreach Program provides support to those who are working towards making better lifestyle decisions.

Approach

Using a wholistic approach to allow the participant to process making good decisions. Combining practical teaching and spiritual teaching to change the cognitive behavior. Discussing traumas and triggers, completing assignments in a group setting and as an individual, and participating in community outreach.
